F. No. 28-447-2016-NBA

Dated: 13.07.2020

To,

The Principal,
St. Vincent Pallotti College of Engineering & Technology,
Gavsi Manapur, Wardha Road,
Nagpur- 441108, Maharashtra.

Subject: Grant of further accreditation of one year in case of UG Engineering programs in Tier II offered by St. Vincent Pallotti College of Engineering & Technology, Gavsi Manapur, Wardha Road, Nagpur-441108, Maharashtra on the basis of Compliance Report.

Sir,

This is regarding Compliance Reports submitted by St. Vincent Pallotti College of Engineering & Technology, Gavsi Manapur, Wardha Road, Nagpur- 441108, Maharashtra for the UG Engineering programs which were accredited by NBA in Tier-II for academic years 2017-18 to 2019-20 whose validity has expired on 30.06.2020.

2. The National Board of Accreditation (NBA) has decided that in all cases of UG Engineering programs which were accredited in Tier I/Tier II for a period of 3 years upto 30-06-2020 and for which the concerned Institutions have submitted Compliance Reports but their visits for data verification of the programs are pending because of the current pandemic situation due to Corona virus, the programs will be considered for further accreditation of one year i.e. upto 30-06-2021 after data verification of the programs in NBA on the basis of the submitted Compliance Reports. The data submitted by St. Vincent Pallotti College of Engineering & Technology, Gavsi Manapur, Wardha Road, Nagpur- 441108, Maharashtra in the Compliance Reports has been examined and verified in NBA. Based on the same, the Competent Authority in NBA has approved the following accreditation status to the programs as given in the Table below :

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Engineering	Tier-II	Accredited	Academic Year 2020-2021 i.e. upto 30-06-2021	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.
2.	Electrical Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to St. Vincent Pallotti College of Engineering & Technology, Gavsi Manapur, Wardha Road, Nagpur- 441108, Maharashtra as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

5. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

6. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. Counselors hold individual and group counseling to build rapport with the students and encourage them to share their problems
- Branch Mentors:** Senior faculties of the branch are entrusted with the responsibility of mentoring students for their academic development (Paper presentation, Industry projects etc.). During the next three years, the mentors' aim is to groom their protégées as global professionals. Mentors also share students' performance with parents and involve them in the nurturing process.
