information regarding notices and other activities is always provided last minute by the respective faculties and sometimes it is not even provided. Due to this there is a lot of inconvenience to all the students. There was online seasonal examination but result is not declared. while university exam is on we are asked to submit mini project.

Sport teacher is not good. This institute is here due to chances they got. Similarly, if we get chances in sport field, we present this college upto far away. But Ashlesha mam has only few students of them. They ask only those students should we allowd him or not. She actually missed my several chances. Many students have complaint against her. Also, i am in 3rd year. I sincerely want to go in field visit. Please try to arrange some no of feild visit. Really proud to be pallottine(just leaving sports matter)
